### Reducing Prices.

The well-intentioned action by the mayor of Indianapolis in securing a few cargoes of potatoes and selling them at cost to such of the citizens as were fortunate or active enough to be first on the ground, is in a measure eclipsed by the late news from the Philippines. The government of the eastern possessions of the United States has become so settled and so much a matter of course that comparatively few Americans could have told a week ago who happens to be governor general of the archipelago at the present time without first consulting some printed authority, but Governor General Forbes of the Philippines has now come into the public eye all right, and because he broke up a combination which had attempted to control the price of rice, which is the staple article of food with the Filipinos. When certain "interests" in the far East cornered the rice market, the governor general got busy and arranged for a supply of corn from America and for several cargoes of rice from Asia, and he sold these supplies of food to the natives at cost. Of course the result was that the rice trust went out of business and the price of rice fell to normal figures. Now everybody knows who is the governor general of the Philippines, for he has shown himself to be a man who does things.—Manchester Union.

### To Brighten Faded Frocks.

Some one may have a pink cotton or linen dress in good condition, but sadly faded. If so, put a piece of turkey red cheese cloth in water, and boil until the color is right. It will dry a little lighter than wet and will leave an even color all over. One-eighth of a yard of cheese cloth is more than enough for a dress. Navy blue cheese cloth may be used in the same manner to freshen a color of a light blue dress. It is best to try a sample of material in the dye to get the right shade before putting in the whole dress.

### Card of Thanks.

We wish to thank our many friends and neighbors for their kindness and sympathy in our recent bereavement and for the many floral tributes.

### REVENGE AT LAST.

Saturday about 10:30 p. m., after a careful watch all through the day and evening, a feat was accomplished that sheds new light on the affairs of the Barre Drug Co. It has been whispered (and talked, for that matter) from time to time that this new drug store was bound to do business, and at the close of the day Saturday it was evident that that rumor was founded on facts, as this day and date registered the largest cash sales in the history of this company.
